Watch for dates for these work bees - they are a very important part of the ongoing success of the group and are always fun!

## **50<sup>th</sup> Anniversary!!!!**

A committee of interested individuals will be meeting on **Sunday, October 1 at the Highwood Centre at NOON**, to start planning for our 50<sup>th</sup> Anniversary Year.

The first WTP meeting was held in December of 1973 with the first play being performed in the spring of 1974.

If anyone would like to join the planning group or has ideas for the celebrations please contact Celia at 403-652-0925

(text) or reply to this email. We will eventually be looking for contact information for any past members so send any info about that along to this email address too.

**Board Meeting Minutes** As part of the research for the 50<sup>th</sup>, Celia has been cataloguing the minutes for the past 50 years and we seem to be missing some...

If you were ever on the Executive between 1998 and 2022 please check around to see if you have copies of the minutes for any of those years. No we aren't missing all of those years but we are missing some.

There are no minutes for the years 2009 – 2013 (I wonder if that binder was lost in the flood?)

**LOOKING AHEAD .....**  
**MARK YOUR CALENDARS :**

**Santa Claus Parade**  
**December 1**

- We need Carolers  
But if you don't want to sing come out and help promote our Spring Show and our 50<sup>th</sup> Anniversary Celebrations

**Spring 2024 – GREASE**

***More information in the coming months.....***
